List of Pending Notifications

Show help box

Warning! Export notification will be considered valid only after being sent to your DNA. To send the export notification press on the right side of the table.

Type	RIN	Name	Country	Export Date	SDS	Actions
	SITGPKEF9P	Zineb	China	07-09-2013	-	

There are different actions:

It indicates that the notification can be edited/modified. If you click on it, you go directly to the export notification form

It shows you the export notification in adobe version as a pdf file.

Clicking it, the notification is sent to the DNA to be checked.

Deletion button

This icon only appears when the DNA has sent back an export notification to the exporter adding a comment that is only visible by clicking on it.

b. Duplicate Validated.

Notification Status

Year: 2013
Importing Country: -all-
Chemical Options: -all-, -None-, Chemical
Preparation/Article Options: -all-, -None-, Preparation Name

Activation Status by RIN

RIN:
(Use % character for partial name search. Example: E% will find all the RIN starting with 'E')
Display RIN information

If you search by "Notification Status", you will see all your notifications and their status.

On the contrary, if you search by "Activation Status by RIN", you will only find the export notifications **already validated** by the Joint Research Centre (JRC).
