

## Special RIN requests

### Requirements:

- For Annex I Part 1 and Part 2 and Annex V chemicals/preparations for research/analysis purposes at a total amount of maximum 10 kg to a certain importing country (it doesn't matter to which importer) during a calendar year. For this reason each export has to be notified.
- For Annex I Part 3 chemicals where the intended use corresponds to the PIC use category and there is a positive import response in the latest PIC Circular

### Creation

1. "Special RIN request – substance"

This version of EDEXIM enables you to create export notifications for the Annex I chemicals (both as pure substances and in preparations) you wish to export.

2. Select the chemical to be exported  
**N.B.: For chemicals listed in Annex V you have to**
  - a. Declare that the chemical is exported for only research/analysis purposes in accordance with the provisions of Regulation (EC) 689/2008 AND
  - b. Attach a document with the same declaration
3. Select the importing country
4. Insert the expected export date
5. Insert the intended use
6. Specify the CAS
