Final numbers 2021

December 2022

Dear colleagues

On behalf of the **IRODaT** staff, we are glad to present the 2021 final numbers in organ donation and transplantation.

The mission of **IRODaT** is to support the healthcare professionals, transplant specialist, researchers and general community to have access to verified and validated information.

We invite you to visit **IRODaT** website www.irodat.org, where you will find information from other countries and news regarding international organ donation and transplantation.

Once again, we would like to thank all your effort in developing the **IRODaT** network around the world and encourage the donation and transplantation activity in your own countries.

IRODaT Team

DONATION ACTIVITY

IRODaT presents in this section the worldwide donation activity of 2021. New graphs have been added to separate countries into regions allowing a deeper analysis of the data provided.

All graphs are represented in pmp, and the figures regarding transplant from deceased donors' numbers had included all combinations.

Remind that all this information and figures, as well as this Newsletter are available in **IRODaT** website www.irodat.org
